SoundExchange is a non-profit performance rights organization that collects statutory royalties from satellite and internet radio, cable radio, and similar services. The Copyright Royalty Board, which is appointed by the U.S. Library of Congress, has entrusted SoundExchange as the sole entity in the United States to collect and distribute these digital performance royalties on behalf of featured and non-featured recording artists, master rights owners and independent artists who own their own master recordings. SoundExchange distributes royalties for the public performance of sound recordings pursuant to 17. U.S.C. 114. SoundExchange pays royalties directly to payees according to splits set forth under Federal law as follows: 50% to the copyright owner, 45% to the featured artist, and 5% to the AFM and AFTRA Intellectual Property Rights Fund for distribution to non-featured musicians and vocalists.
