## SOCAN 1Q21 DISTRIBUTION (November 15, 2021)

Enclosed are your SOCAN royalty statements for the first quarter of 2021 (1Q21), as follows:

### 1. Domestic Royalties

This includes performances that appeared in our analysis of Canadian broadcast television, cable television, concert, cinema, radio, pay audio and background music for the period of January 1 to March 31, 2021, as well as satellite radio, internet, internet audio-visual and YouTube for the period of October 1 to December 31, 2020.

### 2. Changes to SOCAN Domestic Radio Distribution Methodology

Beginning this quarter, survey and census radio stations will be distributed using a weighted system similar to that in use for TV and Cable. Previously, survey and census radio stations received the same performance value regardless of which station aired the performance. Performances will now be weighted based on the license amount received from the radio station. Radio stations with more local advertising revenue, pay a larger license to SOCAN, resulting in greater distribution values for performances aired on those stations. This new distribution methodology is more accurate and aligns with music rights organization methodologies practiced successfully around the world.

### 3. Distributions this Quarter from SIAE (Italy), SGAE (Spain), and SACM (Mexico)

SOCAN is pleased to distribute performance royalties from SIAE (Italy), SGAE (Spain), and SACM (Mexico) this quarter. Due to complicated issues around the withholding of tax beyond our control, we have been unable to distribute royalties for performances from these countries for approximately two years. Distributions from these societies will now occur regularly as accurate performance data and royalties are received. Please note, payments

to members are dependent on each society's distribution rules and methodologies.

#### 4. Facebook Distribution

The data provided by Facebook for the purposes of distribution has not been of sufficient quality for SOCAN to continue distributions as intended, prompting us put these distributions on hold until the matter can be resolved. Until Facebook provides more accurate data, SOCAN will continue to investigate and propose alternative distribution methods to pay out these royalties and hopes to have this resolved soon. This decision will not impact the distribution of royalties associated with free online concerts taking place on Facebook which will continue to pay out separately via the Concerts statement.

#### 5. International Royalties

Below is a list of performing rights organizations (PROs) who have remitted payment to SOCAN, and the performance periods the payments cover in this distribution. If you have received performance royalties from these PROs, the payment will be reflected on your international statement(s). Please note, payments to members are dependent on each PRO's distribution rules and methodologies.

**Check Your Statements Carefully**

Please report any errors, omissions, or questions to SOCAN immediately. All payments result in member revenue being reported to the Canada Revenue Agency and the issuance of tax information slips; thus, any erroneous payments need to be corrected in the current calendar year to avoid tax implications. Requests for adjustments are limited to performances paid during the three years prior to the distribution quarter in which the request is made. Foreign PROs also have three years to advise SOCAN of any errors which could result in a debit/credit to your account. Dont miss important SOCAN news and updates! Please make sure that we have your current e-mail address on file. Update your profile online, send us an e-mail to [members@socan.com](mailto:members@socan.com), or call 1.866.307.6226.
