SOCAN 2Q18 DISTRIBUTION (February 15, 2019)

Enclosed are your SOCAN royalty statements for the second quarter of 2018 (2Q18), as follows:

1. Domestic Royalties

This includes performances that appeared in our analysis of Canadian broadcast television, cable television, concert, cinema, radio, pay audio and background music for the period April 1 to June 30, 2018, as well as satellite radio, internet, and internet audio-visual for the period January 1 to March 31, 2018.

2. SoundCloud Distribution

This quarter, SOCAN is pleased to distribute SoundCloud monies received for the performance period of October 1, 2016 - March 31, 2018. Payment details will appear on the Internet Statement as source ISCLD. Due to the nature of micropayments, performances have been summarized for the entire period so that 100 actual performances will be represented by one performance on the statements, and we have set a minimum threshold of one summarized performance (representing 100 actual performances) for a payment to occur.

3. International Royalties

Below is a list of performing rights organizations (PROs) who have remitted payment to SOCAN, and the performance periods the payments cover. If you have received performance royalties from these PRO's, the payment will be reflected on your international statement(s). Please note, payments to members are dependent on each PRO's distribution rules and methodologies.
