Dear Registered Artist,

Re: PPCA DIRECT ARTIST DISTRIBUTION – 2017/2018

We are pleased to enclose your PPCA statement and payment for 2017/18 financial year.

There are a number of items we would like to bring to your attention, and we ask you to consider each carefully:

1. Statements

The overall fees now being distributed are for the twelve months ending June 2018. The Annual Report with full financial details will follow early next year, and we will welcome discussion on any points that you feel may require further explanation at that time.

As previously advised, the PPCA Distribution policy was amended in 2007 to allow the Board to make direct grants for educational, charitable and promotional purposes in addition to allocating funds to the PPCA Performers' Trust Foundation. As a result, you will notice that the amount deducted from your earnings is less than the longstanding 2.5% in order to compensate for the direct payments made throughout the course of the 2017/18 financial year.

The statement lists the audio/video titles; the record label (for administration according to your contractual arrangement with the label); the total dollar amounts attaching to each title; and the amount payable direct to you. Please carefully review the contents, and let us know as soon as possible if you feel you have received payment for tracks to which you are not entitled, or if the controlling label is shown incorrectly. Should you have any questions please contact our Distribution Department, by e-mailing distribution.mail@ppca.com.au.

2. PPCA Board – election of Artist representative for 2019/2020

Enclosed is a single coloured sheet setting out the eligibility criteria and process details for the annual Artist Representative election. Please take a moment to review this short document and, if you wish to lodge a nomination, complete and return the form on the reverse using the reply paid envelope. Please provide your email address if you would like us to confirm receipt of your form. Once nominations are in and confirmed we will be asking you to vote for your preferred Board representative to represent your views at the regular Board meetings during the coming year.

3. *A Message from the Artist Representatives on the Board*

As is usual at this time of year Artist Representative director's Lindy Morrison and Josh Pyke have prepared a message for you. This year, rather than having it printed, they have elected to streamline this pack and send it by email. Early in the new year we will be sending a hard copy to any registered artists whose email address was incomplete in our system. If you do not receive the message, please let us know and we will arrange to get a copy to you.

If you have any queries on any aspect of these matters, please do not hesitate to contact us at ppca.mail@ppca.com.au. In the meantime, please be assured that PPCA continues to work hard in the interests of all its stakeholders.

Finally, on behalf of all at PPCA, best wishes for the holiday season and every success in 2019.

Yours faithfully,

Lynne Small || General Manager

ELECTION OF ARTIST REPRESENTATIVES TO THE PPCA BOARD

This information sheet is to advise you of the nomination process to elect an artist representative to the PPCA Board. You are entitled to nominate any person who is a **Registered (Financial) Artist** as a candidate for the position of Artist Representative Director on the Board of PPCA for the **two-year period** ending 31 December 2020.

The Board includes two Artist Representative Directors. Each December the two-year term of one of those Directors expires and an election is held to fill the position. As a result, the Board always includes an Artist Representative with at least one year's experience at Board level. This system was initiated by the Board to ensure that continuity of artist representation is achieved, having regard to the complexity and length of time various issues take to complete.

To be appointed as a representative, the Artist nominated must be a Financial Artist who is registered with the PPCA Direct Artist Distribution Scheme and who has received a direct distribution this year. Once all nominations are in, PPCA will check with the nominees to ensure they consent to the nomination, then voting papers will be sent out. The successful candidate will be announced early in 2019 prior to the first PPCA board meeting.

The current two artist directors are Lindy Morrison and Josh Pyke. Mr Pyke's term expires on 31st December, and he has indicated that he will again contest the position this year.

Please note that, as only one Representative Director is to be appointed, it is important **you only nominate one candidate**; of course you may nominate yourself (if you are a financial artist), if you wish. A list of eligible artists is available on our website on the Artist homepage <http://ppca.com.au/artists-home-/artist-home/>

If you wish to participate in the nomination process, please complete the attached "nomination form" and mail it in the enclosed prepaid envelope so that it reaches us by Friday, 18th January 2019.

Please see overleaf for nomination form.....
