

Detailed distribution report / performing artists, event promoters & video clip producers

Dear Howard Simon Bernstein,

this report contains detailed information regarding your GVL remuneration for the distribution year specified above.

Your remuneration is calculated based on the production usage information available to GVL and the distribution regulations annually determined by GVL's Associates' and Delegates' Assembly. The amounts may thus vary due to individual changes concerning your contributions and productions as well as due to general adjustments to the distribution regulations. Please visit www.gvl.de to view the current regulations and additional information.

Please review this report thoroughly. If you have any questions or require assistance, contact us at +49 (0)30 48483-860 or via e-mail at artsys@gvl.de. We're happy to help!

Yours sincerely, GVL

Glossary

All monetary amounts in this report have been rounded to full Eurocent amounts, so that deviations to the final amount may be possible. Please find the final payout amount in your remuneration statement ("Auszahlungsmitteilung"), which insofar prevails this report.

Allocation

This is the distribution amount allocated to you for your participation(s) in the respective production.

Deductions (administrative costs and grants)

The deductions indicate the share of the costs in relation to your remuneration. Since GVL does not charge any fees for rights holders, all cost shares for administration as well as statutory social or cultural grants are being deducted from your allocated remuneration within any distribution.

Distribution year

The distribution year specifies the calendar year in which GVL has received the revenues being distributed.

GVL-ID

The GVL-ID is your unique ID within GVL's systems (not to be mistaken for the GVL contract number, "Vertragsnummer").

Participations accountable

In this column all your participations that were taken into account to calculate the amount of your remuneration are listed. Please note: Due to the distribution regulations you may see fewer participations in a respective production listed here than you have originally registered. Please visit www.gvl.de to view the current regulations and participation

Production ID

The Production ID is the unique number used to identify this production/recording within GVL's systems. You can use this ID to look up productions in the Artsys portal.

Reference ID

The Reference ID identifies the exact distribution run in which the amounts displayed in this report have been calculated. For any payment you receive from GVL you will find this ID noted on the corresponding remuneration statement ("Auszahlungsmitteilung").

rR

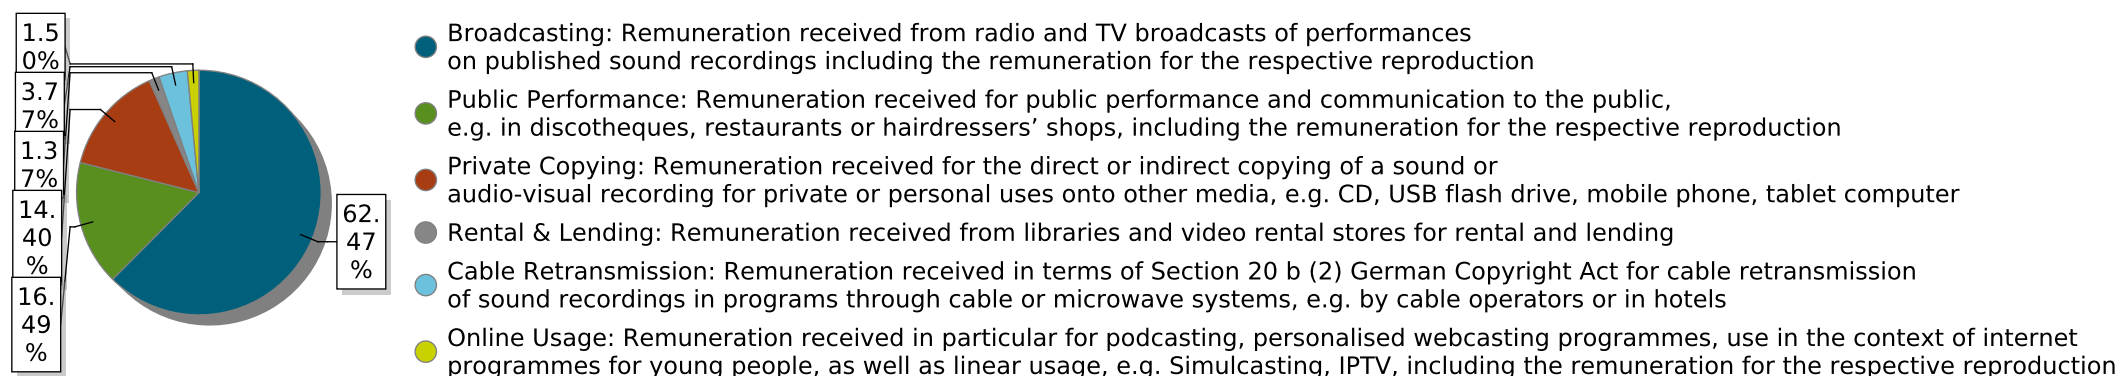

This abbreviation for "rights Restriction" marks productions where according to copyright law your scope of rights protection is limited due to your non-EEA citizenship. In case you find the "rR" mark in your report and have questions regarding the scope or potential extension of your rights protection please contact us.

Usage

This point value displays the total usage amount of the respective production. It is based on the net broadcasting minutes and number of broadcasts. The calculation includes all degression and weighing factors calculations determined in the distribution regulations. For further information regarding the charted broadcast programmes, degression and weighing factors please consult the distribution regulations and their annexes at www.gvl.de.
