GLOSSARY OF TERMS

Detailed Financial Statement - Terms

Song Title & Title and Composer information for the song. Writers not controlled by Sony/ATV are

Composer (s): indicated following the notation "NC" (non-controlled).

Source of Income: The party that has reported income to Sony/ATV.

Sub-Source & SubThe royalty statements provide multiple levels of detail regarding the sources of

Sub-Source: income. If information is provided about the original source of income, it will appear as

the Sub-Source or Sub-Sub-Source.

Income Type: The royalty statements provide detail into the type of income stream represented by

each line of earnings. See Income Type Key for further details.

Statement Header ID: A Sony/ATV internal code designating the specific incoming statement from which a

royalty line came.

Rpt'g PD: The date range during which the source of income received the earnings, grouped

(Reporting Period) based on that source's royalty reporting schedule.

Sales PD: If provided, the period in time that the product sale actually occurred as provided by the

(Sales Period) source.

Product Number: The code used by the source of income to indicate the product or exploitation that a

royalty line represents, often a UPC, ISRC.

Units: The number of sales or performances reported for a given line of earnings.

Song Share %: The percentage of a song that the writer (s) associated with your client control, whether

or not Sony/ATV controls that full amount.

Cntrl Coll%: The percentage of the above controlled song share that Sony/ATV collects for a given

(Controlled income type.

Collectable)

Amount: The share of a song's income that was generated by the writer or client's participation

in the song.

Royalty %: The royalty rate payable to a writer or client.

Royalty Amount: The share of income that is credited to a client account, calculated by multiplying the

amount by the royalty rate %.

Source and Sub- Within a given song, the summarized royalty amount for a given source or sub-source.

source Total:

Song Total: The full summarized royalty amount for a given song on your statement, provided

below the detail for every song.
